Total Quality

Shorts Group is committed to providing our customers with quality products and service. All plant is checked prior to hire and our staff are trained on all of our equipment, which ensures that it arrives to you in top working condition.

Conditions of Hire

1. The conditions for the hiring of plant are those of the Hire Association Europe 'blended conditions', copies of which are available upon request.
2. All plant and equipment is offered under the 'blended conditions for the Hiring of Plant' and subject to approved credit facilities.
3. The Hirer is responsible for all fuels and oils for plant supplied without an operator.

To see how we can get the machine you need to your site, please contact **Jason Southam** on **01344 299 318** or via email on **jason@shorts-group.co.uk**.

4. The Hirer is responsible for insuring against liabilities under Clause 4 and Clause 6 of the blended conditions.
5. The Hirer is responsible for ensuring that any operator is properly qualified to use the plant.
6. Any plant and equipment offered at a weekly rate is based on a 40-hour 5-day week.
7. Breakages and in some cases re-sharpening of all points, chisels, saw blades and ancillary items are chargeable. The cost of damage, punctures and missing items will be debited to the Hirer's account.
8. Special rates for long-term hires can be negotiated.
9. Transport of plant is chargeable at agreed rates. Every facility for loading and unloading at our depots will be given to Hirers wishing to use their own transport.
10. Value Added Tax will be shown on invoices as a separate surcharge as and when applicable.
